## ATS GROUP PRESENTED ITS THREE COMPANIES AT THE PRESTIGIOUS EUROSATORY 2022

- **Eurostatory was cancelled two years ago due to the COVID-19 emergency and is now back in Paris after four years**

*Paris, France, June 13, 2022* - ATS Group is one of the largest exhibitors at the most important defense industry trade show Eurostatory 2022, which is taking place in Paris, France, and where more than 1,800 exhibitors and 57,000 visitors attend and 400 fighting vehicles and airplanes are exhibited. Eurostatory does not unite manufacturers only, but also the official delegations of more than 100 countries, experts, researchers, investors and journalists specializing in defense and security issues. Eurostatory was cancelled two years ago due to the COVID-19 emergency and is now back in Paris after four years showing once again that it is the most important international trade show of defense, land and air security.

The trade show was organised in 1967 for the first time and has since had an increasing number of participants, exhibitors and visitors. Currently it is number 1 in its category gathering world class defense and security professionals every two years.

Exhibitors demonstrated the use of drones, robots, new technologies and armoured fighting vehicles. Apart from exhibitors' dynamic demonstrations, the armed forces and security departments demonstrated governance with newly developed technologies throughout the whole week. Global warming, armed conflicts and the digital revolution are elements that affect all sectors, including defense and security, and as such cannot be ignored.

ATS Group is the only Macedonian company which takes part in world renowned security trade shows. At Eurostatory 2022 the company presented its world renowned ballistic products and equipment, the new areas of activity in which it competes with the largest manufacturers in the world. The company has top engineering expertise, machinery and tools for ammunition production, which drew the attention of visitors from all over the world.

ATS GROUP, seated in Skopje, is a modern Macedonian corporation consisting of three companies, two of which in Skopje and one in Samokov, with more than 500 staff and 40 years of experience. They work to the highest standards and produce a wide range of products, whose quality is recognised globally and for which they have received numerous awards. ATS Group produces composite products and ballistic protection and ballistic safety products for the military and the police. In addition, the company produces small caliber ammunition and full lines of machinery for ammunition production, which helps increase its export potential year by year and thereby meet its development plan and mission.
