ATS GROUP PRESENTED THE PRODUCTS OF ITS THREE FACTORIES IN SAUDI ARABIA

- **The company has top engineering expertise, machinery and tools for ammunition production, which drew the attention of the visitors from all countries.**

Riyadh, Saudi Arabia, March 03, 2022 - ATS GROUP is one the major exhibitors at the World Defense Show, which is taking place in Riyadh, Saudi Arabia, for the first time.

The show is founded by the General Directorate for Military Survey in Saudi Arabia and is fully integrated and directed towards the future of the industry. Riyadh, the capital of Saudi Arabia, is currently the place where the latest technological developments from all over the world are being exhibited and defense interoperability in all domains is being demonstrated.

Besides presenting its world-renowned ballistic products and equipment at the World Defense Show, ATS GROUP also presented the new areas of activity in which it competes with the largest manufacturers in the world. The company has top engineering expertise, machinery and tools for ammunition production, which drew the attention of the visitors from all countries. The largest industry manufacturers in the world from over 100 countries from all continents exhibit at the show, and the organizer expects 50,000 visitors. ATS Group, which is the only company from the Republic of North Macedonia at the world-renowned trade show, is representing our country.

ATS GROUP, seated in Skopje, is a modern Macedonian corporation consisting of three plants, two of which in Skopje, Vizbegovo, and one in Samokov, with more than 500 staff and 40 years of experience. All plants work to the highest standards and produce a wide range of products, whose quality is recognised globally and for which they have received numerous awards. ATS Group produces composite products and ballistic protection and ballistic safety products for the military and the police. In addition, the company produces ammunition and full lines of machinery for ammunition production, which helps it increase its export potential year by year and thereby meet its development plan and mission.

The ATS GROUP team will extend a warm welcome to the visitors of the World Defense Show at Hall 1, Stand N.C8.
