## ATS GROUP PRESENTED ITS THREE COMPANIES AT THE PRESTIGIOUS DSEI LONDON 2023

- **ATS GROUP in London presented its world-famous products and equipment in the field of ballistics, ammunition and technologies.**

*London, UK, September 12, 2023* - London, UK, September 12, 2023 - ATS Group was one of the largest exhibitors at DSEI 2023, the most important exhibition of the defense industry in LONDON, which was attended by more than 50,000 visitors who can see over 400 displayed combat vehicles, aircraft as well and naval vessels in the River Thames.

DSEI London is supported by the UK Ministry of Defence and brings together manufacturers, government delegations from over 100 countries, experts, researchers, investors, and journalists covering defense and security issues. DSEI 2023 was the most significant and largest edition of this fair in its 24-year history, and this year's theme was "Achieving Integrated Power". With over 2,800 suppliers, including major manufacturers, DSEI is the premier hybrid event of its type and is critical in bringing governments, the armed forces, and wider industry together. DSEI has proven once again that it is the most important international trade fair dedicated to land and air security.

Exhibitors the use of drones, robots, new technologies, and armored vehicles. In addition, throughout the week armed forces and security departments demonstrated their mastery of the newly developed technologies.

ATS GROUP is the only Macedonian company that participates in world-famous security fairs. At DSEI 2023 in London, the company presented its world-famous products and equipment in the field of ballistics, as well as the new areas in which it operates and competes with the world's largest manufacturers in the industry. ATS GROUP, seated in Skopje, is a modern Macedonian corporation consisting of three companies, two of which are in Skopje and one in Samokov, with more than 500 staff and 40 years of experience. They work to the highest standards and produce a wide range of products, whose quality is recognized globally and for which they have received numerous awards. ATS Group produces composite products, ballistic protection, and ballistic safety products for the military and the police. In addition, the company produces small caliber ammunition and full lines of machinery for ammunition production, which helps increase its export potential year by year and thereby meet its development plan and mission.
