## ATS GROUP AT EGYPT DEFENCE EXPO 2023

- Focus on ATS Ballistics
- ATS offers a wide range of composite products and innovative body armor

*Cairo, Egypt, December 04, 2022* - ATS is an official exhibitor at EDEX 2023. Egypt Defence Expo is a biennial event that showcases the latest technologies and solutions in the defense and security industries. Held under the patronage of His Excellency, President Abdel Fattah El Sisi, The President of The Arab Republic of Egypt and The Supreme Commander of the Egyptian Armed Forces. The event features over 400 of the leading defense and security companies from around the world, showcasing the latest military technology, equipment, and systems across land, sea, and air.

ATS products combine high ballistic protection with advanced quality, low weight, and competitive prices and keep the image of unique body armor, ensuring multi-threat protection in meeting all customer requirements for product design every step of the way.

ATS GROUP, seated in Skopje, is a modern Macedonian corporation consisting of three companies, two of which are in Skopje and one in Samokov, with more than 500 staff and 40 years of experience. They work to the highest standards and produce a wide range of products, whose quality is recognized globally and for which they have received numerous awards. ATS Group produces composite products and ballistic protection and ballistic safety products for the military and the police. In addition, the company produces small caliber ammunition and full lines of machinery for ammunition production, which helps increase its export potential year by year and thereby meets its development plan and mission.
